Uses licensed *service d'adresse mondial*
(*sedamo*) technology provided by
Cross-Cultural Communication Club (CCCC).

**Print any Chinese address
even without knowing Chinese!**

DAIBOLA

sedamo

TAN TAN sedamo ?

From: sedamo: [] name: [] company: [] phone: []

To: sedamo: [] name: [] company: Shanghai

by airmail
 as registered

Type the English name

Print any Chinese address in Chinese characters even without knowing the language!

From now on, typing any address just takes you 2 seconds—even if it is written in Chinese, Greek, Japanese, Korean, Russian, Thai, ...

The addressing software *sedamo.bureau* directly accesses the *service d'adresse mondiale* database with millions of addresses in native writing.

sedamo.bureau SPECIAL EDITION has a pre-filled directory containing the most important addresses for business men and individual travellers: airports, banks, cafés, clubs, concert halls, exhibition halls, exhibition sites, fitness centres, museums, office buildings, places of interest, restaurants, shopping malls, train stations, ...

New addresses can be added.

Choose your destination by mouse click

The address is automatically completed
